## The Power of Experience

WE'VE BEEN WORKING FOR BUSINESSES SINCE 1903.

### At Whitby Hydro, we're proud of our heritage.

We are one of the oldest hydro companies in Ontario. Still, with all our history, we have a keen eye on the future. And, to keep that future looking bright, we have developed a strong focus on energy conservation.

With a variety of conservation programs and dedicated customer service, we continue to deliver value-added solutions to businesses and homes in the Town of Whitby.

We've been here for generations.  
You can count on us for years to come.
