WHERE BUSINESS CONNECTS

2010 Peter Perry Award

Since 1955 the Whitby Chamber of Commerce has been proud to honour Whitby's Outstanding Citizen of the year by recognizing their commitment to the community through the Annual Peter Perry Award.

Peter Perry was a founder of the Town of Whitby. He was a shrewd businessman, excellent public speaker and a man truly dedicated to his community. He served as an elected representative to the Parliament of Upper Canada, served as Whitby's Township representative to the Home District Council and was instrumental in the formation of Ontario County with Whitby as the County Town.

The Whitby Chamber of Commerce feels that the Peter Perry Award is an excellent way to honour Whitby's outstanding citizens using Peter Perry as an example of commitment to the community. It is this spirit, enthusiasm and dedication to the community that the Whitby Chamber of Commerce is proud to recognize in our community today.

Many people in our community give countless hours to make our community a better place for us all. The Peter Perry Award is an extension of that commitment to give back to our town and honours one outstanding individual who has made significant contributions to the community - "Whitby's Citizen of the Year".
