

# YOU'RE A MEMBER

Your company is a member of the Whitby Chamber of Commerce (WCC), which means all employees can take advantage of the perks associated with a Chamber membership, including attending events and opportunities to save money.

Connect with the business community by networking at a selection of more than 80 events hosted by the WCC throughout the year - some are free and some require a fee, but you get a member discount!

Through the WCC, there are opportunities for professional development and career growth. Flex your networking skills, attending an informative event or by joining a committee!

The WCC hosts a wide variety of events appropriate for all levels of employment. Check out the Young Entrepreneurs & Professionals events!
