

# Accessing PPE: Preparing to Go Back to Work

COVID-19 has disrupted our normal life and will continue to impact daily operations in businesses. As we enter into stage 2 of our re-launch strategy, businesses need to prepare their operations.

As a Chamber of Commerce member you have access to exclusive deals and products with Grand & Toy. To support your business through COVID-19, Grand & Toy has an assortment of PPE equipment and cleaning supplies available.

Products include:

- Personal protective masks
- Infection control (Hand Sanitizer and Stations, Disinfection Sprays, and other Cleaning products)
- Print & signage solutions (Floor decals, posters, and employee badges)
- Electrostatic disinfection
- Elevated body temperature detection carts
- Wellness solutions (linking panels, protective barriers).
