## THE POWER OF YOU

MARCH  
6  
THURSDAY  
DEER CREEK  
10:00 AM-3:00 PM

**Jennifer Lahey** is an advisor to many of North America's leading organizations, helping executives connect their talent strategy with the overarching business strategy. She brings advisory experience in technology, retail, manufacturing, and professional services – helping organizations scale for growth by leveraging psychometric data.

She is a Queen's University graduate and holds a Master of Science and has completed Executive Education Programs at Harvard University, Boston, MA in Leadership, Business Transition, Strategy and Negotiation. Jennifer is an active member of WPO, Women Presidents Organization and the Queens University Alumni Association.

Jennifer led the development of the Predictive Success Academy, creating a designated arm of Predictive Success for clients to learn and develop their knowledge of talent optimization. Jennifer is a facilitator and trainer for the academy.
